

Multi-Source UK LTD

Environmental Policy

MULTI-SOURCE UK LTD is committed to conducting its operations in an environmentally responsible and sustainable manner. We recognise our responsibility to protect the environment and continually improve our environmental performance across all aspects of our business.

This policy sets out our commitment to compliance with environmental legislation and our aim to reduce our environmental impact, prevent pollution, and promote sustainability within our operations and supply chains.

Our Commitments

As part of our environmental management practices, MULTI-SOURCE UK LTD will:

1.

1. Compliance & Legal Requirements

- Comply with all applicable UK environmental legislation, regulations, and relevant codes of practice.
- Monitor and review our compliance regularly to ensure continual improvement.

2. Resource Efficiency

- Reduce consumption of natural resources including energy, water, and raw materials.

- Promote efficient use of resources in all areas of operation.

3.Waste Management

- Minimise waste production and promote the reuse and recycling of materials where possible.
- Dispose of unavoidable waste in an environmentally responsible manner.

4. Pollution Prevention

- Take all reasonable steps to prevent pollution to air, land, and water.
- Ensure safe and proper handling, storage, and disposal of all materials and substances.

5.Sustainable Procurement

- Consider environmental criteria when sourcing goods and services.
- Where possible, engage suppliers and contractors who uphold environmental standards aligned with our values.

6.Staff Awareness and Training

- Require staff adherence to and implementation of this policy.
- Encourage staff to adopt environmentally responsible practices.

7.Continuous Improvement

- Set and review measurable environmental objectives and targets.

- Monitor our environmental performance and take corrective action as needed.

8.Communication and Reporting

- Communicate this policy to all employees and make it available to stakeholders upon request.
- Encourage feedback and suggestions for improving our environmental practices.

Responsibility

The overall responsibility for the implementation of this policy lies with the senior management of MULTI-SOURCE UK LTD. All employees, contractors, and partners are expected to support the policy by following the principles outlined and by taking individual responsibility for the environmental impact of their actions.

Policy Review

This policy will be reviewed annually and updated as necessary to reflect changes in legislation, our operations, and environmental best practice.
